Linking employers & students

"The service that I received from Joblinx is unbelievable. I would like to thank Juliana from the bottom of my heart for her continuous effort and guidance. She not only helped me to write a professional resume and helped me gain the certificates required for my job but she was there during interviews giving me some boosts and confidence. As a result of the efforts of Joblinx, I am now working at the NEXT hotel in Brisbane CBD as a food and beverage attendant."
